

READING INCENTIVE SHEET

“ Reading Incentive “ is an optional program for students, funded by the school PAC, and run by parent volunteers. It runs from October through until April. Students simply record the amount of minutes that they have read during the month and enter it onto the “Reading Incentive Form” which can be found in a designated box near the office. We have a monthly meeting in which students can choose a **FREE** book from a large selection offered, regardless of the amount of minutes that they have read. There are **PRIZES** to be given away such as “Coles” gift cards, bookmarks, pens or pencils, and small treats. There will also be draws for more prizes at the end of the year.

* 3 gift cards for “Coles”, bookmarkers, pens or pencils and small treats every month!

250 minutes or less = 1 book + 1 draw entry

500 minutes = 2 books + 2 draw entry

750 minutes = 2 books + 3 draw entry.

Additional Draws for prizes at the end of the program for the year (April 2020).
